⭐ ⭐ How To Get The 5-Star Reviews You Deserve (In Just 4 Minutes Per Week)

Watch Your Language

- ☐ DON'T ask for "reviews." It's a **loaded question** (you'll get far fewer reviews)
- ☐ DO ask for online feedback. This is natural, neutral language
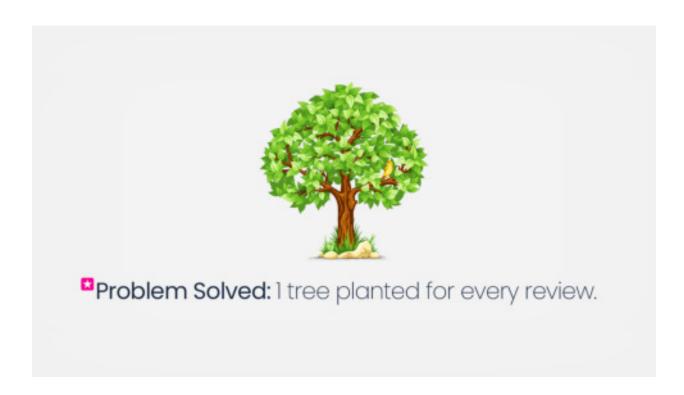

Motivate Ethically

- ☐ DON'T bribe your customers with gift cards, prize draws, discounts etc.
- ☐ DO ethically motivate your customers (at Starloop, we've chosen to **plant 1 tree** for every review which gets people <u>excited</u> to write a review)
- ☐ DO use this as an opportunity to stand out with something **remarkable**

Automate & Dominate

- ☐ DON'T forget to send reminders (essential if you want maximum reviews)
- ☐ DON'T send reminders manually (it'll get done poorly if it gets done at all)
- ☐ DO automate the process of sending reminders
- ☐ DO make sure the reminders say the right thing and are sent at the right time

ASK IN A WAY THAT MAKES PEOPLE FEEL EXCITED TO WRITE YOU A REVIEW
